

# Sheer House Redevelopment

**Good evening,**

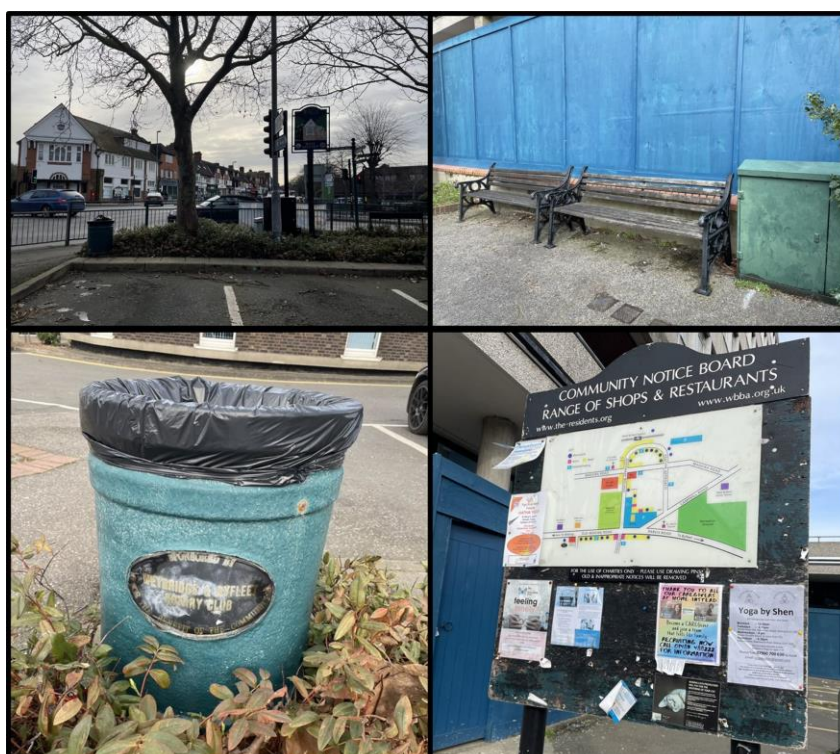

Thank you for signing up to receive updates about the redevelopment of Sheer House.

We are grateful for your continued engagement while we await the determination of the Reserved Matters application. Please continue to get in touch with any feedback, questions or comments via the contact details listed below.

---

## Artefact register

We shared our Artefact Register with the West Byfleet Liaison Group recently. The register provides details of the many artefacts that are attached to the Sheer House site, some are embedded within it. The aim is to have an index to identify anything that is at risk during the demolition or construction of being removed or damaged. Some items will need to be replaced or relocated while others might not be needed at all. As always, we welcome your comments and suggestions.

---

## Safety & Security

We encourage members of the public to continue to reach out to us with any concerns related to anti-social behaviour around the site. Our team is committed to ensuring that the site remains a safe space while we await the determination of the Reserved Matters application. Last week, we were able to quickly respond to reports that graffiti had appeared on some of the hoardings after members of the public brought it to our attention. Thank you to those who got in touch with the team to get this resolved.

To report any incidents such as graffiti or flyposting, please contact us via our email [info@sheerhouseredevelopment.co.uk](mailto:info@sheerhouseredevelopment.co.uk). All other incidents should be reported to the police.
