# Sheer House Redevelopment

#### Good evening,

Thank you for signing up to receive updates about the redevelopment of Sheer House.

### **Progress update**

We are delighted to share the news that Woking Borough Council planning committee voted unanimously to grant consent for our Reserved Matters application this week. The decision to approve the detailed designs means we remain on track to start construction by the end of the year.

In the meantime, we will continue to keep the local community updated on the demolition programme and other initiatives through our Facebook page, website and regular newsletter.

In addition to this week's good news, Squibb Group is continuing to mobilise for demolition and this is progressing well. They will start with 'internal strip out' – removing items from inside Sheer House for the first few weeks before moving on to removing the Sheer House building and the retail units. We expect this more visible demolition to commence in approximately four weeks' time. We will keep you updated and provide further updates over the coming weeks.

## Sustainability

Retirement Villages is committed to ensuring that sustainability is at the heart of our approach. We have produced a series of videos to explain what this means in practice. You can find links to the first set of videos below, or they can also be accessed via the website. We will be releasing the second set of videos next week.

#### Contact us!

Retirement Villages Group has gathered together a multidisciplinary team to help support the redevelopment of Sheer House in West Byfleet.

Public consultation and stakeholder relations are being managed by Keeble Brown Ltd, a specialist communications consultancy. You can contact us directly using the details below. Or call us on our freephone number: 0800 061 4979.
