

Good evening,

Thank you for signing up to receive updates about the redevelopment of Sheer House.

'Goodbye Sheer House, Hello West Byfleet!'

We are as excited as local people to see some of the changes happening on site. Some of you may have noticed the new monarflex scaffold sheeting around the site's main building this week. As well as helping to internalise dust, noise and debris from the demolition phase, we hope the new monarflex encapsulates our vision of working closely with the West Byfleet community throughout the project and beyond.

Woking College art students

Inspired by West Byfleet's botanical heritage, Art students at nearby Woking College have been getting creative... Working with local Artist, [Nathalie Beauvillain Scott](#), the students have designed a botanical-themed mural, which pays homage to West Byfleet's rich history.

With references to the fields of aromatic botanicals, what we would now call essential oils.

We have been blown away by the students' talent and cannot wait to see the final designs.

Keep an eye on our Facebook page and website. More will be revealed over the coming days...

Contact us!

Retirement Villages Group has gathered together a multidisciplinary team to help support the redevelopment of Sheer House in West Byfleet.

Public consultation and stakeholder relations are being managed by Keeble Brown Ltd, a specialist communications consultancy. You can contact us directly using the details below.
