

## Good evening,

Thank you for signing up to receive updates about the redevelopment of Sheer House.

---

## Progress update/ Site activities

We would like to inform residents ahead of planned works due to take place on **Tuesday evening [15 June]**.

The Sheer House site will reach a major milestone with the arrival of the high reach 'muncher'. This will enable the demolition of main Sheer House tower building, which is due to take place at the end of this month.

Please note that the arrival of this machinery will mean that there will be bright lights and noise coming from the site between **23:00 and 23:15**. We know this is not an ideal time, but the machinery cannot legally leave its current location until 1900 and is restricted to travel at 25mph.

**Please ensure that you do not park outside the site entrance on Madeira Road from 7pm on Tuesday 15 June.**

Our demolition contractor, Squibb Group, has already delivered letters to nearby residents and local businesses.

As always, please get in touch with us using the contact details at the end of this email if you have any questions or concerns.

---

## **Contact us!**

Retirement Villages Group has gathered together a multidisciplinary team to help support the redevelopment of Sheer House in West Byfleet.

Public consultation and stakeholder relations are being managed by Keeble Brown Ltd, a specialist communications consultancy. You can contact us directly using the details below.
