

Good evening,

Thank you for signing up to receive updates about the redevelopment of Sheer House.

Say hello to West Byfleet's new botanical mural

If you have wandered down Station Approach this week, you will have noticed a big splash of colour has been added to the site. A colourful mural, which depicts West Byfleet's rich agricultural landscape and the village's botanical heritage, has now been affixed to the hoardings which enclose the site. Look closely at the 25m-long mural, and see if you can spot references to the village's aromatic legacy, rolling fields and some of the much-loved landmarks.

A group of talented students from Woking College worked closely with local artist, Nathalie Beauvillain Scott, to curate the artwork. The initiative allowed the students to explore their artistic flare, incorporating multi-generational references for the community to enjoy.
